

New Interview release Kris Morris

Came across the music of Kris Morris and was instantly struck by the authentic quality of his writing and playing. We talk here with Kris about his album 'Ruins' recorded with Kasey Chambers, his writing and playing. It's some of the best original blues / roots material I've heard in a long time. Take a listen, he is a great talent. Dawg certified!

(Released 28 October 2016)
