Dirtmusic? A musical collaboration that has brought together three musicians; Chris Eckman, Hugo Race and Chris Brokaw. Their self proclaimed dirt music beautifully evokes the stark atmosphere and potent spaces of alt country. Podcast 77 opens with a track from their self titled debut album.

Star Anna? She was born in a small rural town in Washington state and raised on a staple diet of rock and blues music. Her song writing has evolved thro' punk and rock into an engaging folk, acoustic, and alt. country style.
