

SA Roots and Blues - Podcast 81

"click on image to listen or right click to save"

What better way of opening a podcast than with some blues with a piercing and potent horn section. Blowing up an 'ice storm' and accompanying guitarist Scott Ellison are The Dukes of Soul Horns followed by (more horns please!) The Memphis Horns with a soul classic that will have you singing along and gyrating (not recommended for all those earphoned commuters out there!) Have a listen to Liz Manderville and Betty Lavette ...are they horny or what!?
