Podcast 92 features some high octane blues rock from Tasmanian Bluesman Rob Tognoni's latest album 'Ironyard Revisited'. We also introduce Buddy Knox, a Tamworth local and no stranger to the Tamworth Country Music Festival. He performed there in 2007, 2008 and returned in 2009 with his blues band as part of the Indigenous Showcase at this year's event. After years of playing for a range of artists such as Troy Cassar-Daley, Jimmy Little, Kev Carmody and Paul Kelly, Buddy Knox now has his own band and a debut album 'Got Da Blues'.
