TWO CD DEAL IS BACK!
Hey Salty, what's the deal!

Well simple, subscribe and contribute \$1/week (AUD \$52/year) and I'll send ya two free CD's from our great blues/roots artists, anywhere in the world. And I'll throw in some stickers, postcard, and a kool badge for yer jacket

Each year you renew, you can request one additional CD from the current stock - just shoot me an email when the subscription goes through and I'll get to it asap.

This is the only income we get for doing the show - so come on and help us keep bringing this great music and interviews your way.

That's great value for AUD \$52 and you get to support good music, great artists and a warm fuzzy feeling as well...

Of course, you can still listen whenever you want as a free rider, if that's your thing!

Note: When you subscribe with PAYPAL the reference will be "Salty Dog Blues N Roots Podcast" under Ability Associates Australia Pty Ltd. (Salty's Company Name). *** Offer updated 11 June 2014

After you subscribe with PAYPAL, just contact me here and let me know the CD's you want from the current stock.
